10. **Fund Obligations.** The Employer and the Union understand that the Fund shall not be obligated to provide benefits to any eligible employee/retired employee (i) unless and until the Board's authorized agent accepts this Agreement by signing where indicated below, and (ii) with respect to any period for which the Employer does not make the full payments to the Fund described in Section 4.
11. **Assignment.** Neither the Employer nor the Union may assign any of its rights or obligations under this Agreement to another party without the advance written consent of the Fund.
