At the Open House, attendees will:

- Hear from the project team, as well as flood insurance professionals and state officials about what updated flood maps mean for their community.
- Look at the preliminary Flood Insurance Study (FIS) report and Flood Insurance Rate Maps (FIRMs) for Monroe County [here](#).
- [Find their property](#) on the preliminary maps and learn their specific risk.
- Get answers to questions about the maps, the mapping process and flood insurance.

If you cannot attend the Open House, reach out to the FEMA Flood Mapping and Insurance eXchange (FMIX) at (877) 336-2627, [via email](#), or [via chat](#). A map specialist can help answer your questions.
