VII. NEW BUSINESS

A. Columbia Lakes Subdivision Foreclosure

Mayor Hutchinson informed the Council he received a call from Mr. Robert T. Jones, developer of the Columbia Lakes Subdivision indicating the bank is getting ready to foreclose on the Columbia Lakes IV development. Mayor Hutchinson then stated the City has a letter of credit for the Jennifer Court subdivision and the Route 3 ingress/egress. Mr. Williams stated in addition to not completing these infrastructure improvements, there is also a siltation issue that is preventing the approval of the final plat. Mr. Adams stated the developer was originally given 12 months to complete the improvements. Mr. Adams then suggested the City send a 30-day Notice of Default and Opportunity to Cure the Default to the developer, as is required by the Performance Guarantee Letter of Credit, (advising the developer that it has 30 days to recommence construction and complete the construction of the Route 3 Access Drive). Thereafter (if the construction of the drive is not completed within that time) the City Council would enact a resolution to draw on the Letter of Credit Performance Guarantee issued by the First National Bank of St. Louis (the same lender who is threatening foreclosure on the subject Columbia Lakes Subdivision) to hire the contractor(s) to complete the construction of the Route 3 Access Drive and draw on the Letter of Credit Performance Guarantee to pay for the same. Mr. Adams also suggested that Mr. Lewis at the First National Bank of St. Louis be promptly notified that the aforementioned action of the

City Council was being taken and that if nothing was worked out with the developer or the bank to promptly complete the construction of the Route 3 Access Drive, then their customer would not only owe the bank what ever is due on the bank's mortgage, but also the amount required to be used from the Letter of Credit to complete the construction of the Drive by contractors to be chosen by the City. The Council agreed to follow the recommendation of the City Attorney and begin with notifying the bank of the City's intent to call the letter of credit.
